OUR DISCIPLINE POLICY

If a student is behaving in a manner that is not respectful of the rights of others, the student should be reminded privately of the proper behavior. If the incorrect behavior persists, the student is removed from the situation and counseled one on one. The child is reminded of the proper behavior and asked if he/she is able and willing to participate in the correct manner. If the child does not feel ready to adjust the behavior, he/she may be assigned to spend some time with another adult (Assistant Leader, comforter, etc) who will visit with the child about the situation. When the child is ready to rejoin the activity, he is returned to the session.
